Letter of Reference

To whom it may concern,

I've known Mike McCrae for almost 20 years and in that time have hired him for many events including the Clifton Park 4th of July Celebration where he has entertained thousands of people over the last 10 years.

He is a consummate professional in every sense of the word; always bringing the best of his craft to the audience. His great attitude and genuine demeanor with the audience make him one of the most sought after performers in the area.

He always dresses appropriately, and is extremely entertaining and interactive with the audience. His skills are of the highest caliber in the capital district and I'm sure you would have to travel quite a ways to find someone as accomplished as Mike McCrae.

I have no reservation in highly recommending Mike for your next event. Any questions, feel free to contact me.
