To Whom It May Concern:

This is a letter to recommend Mike McCrae. I organized both the Larkfest and Art on Lark Family areas and stage for the past 12 years, for the Lark Street BID. Mike McCrae has worked for the Larkfest Family Stage as a performer and the Family Creative Zone as a teacher for many years. He also worked as a teacher in Creative Chaos during Art on Lark.

Mike is very responsible, safe, audience pleasing and reliable. He is completely family friendly and everyone loves his act.

He has never been late, is always ready to perform on time and I will hire him again.

He will be an asset to any function where juggling is "the thing".

Sincerely,

Maude Baum
Artistic Director
